# HARRY'S

— ON GREEN LANE —

*Welcome to Harry's on Green Lane.*

*Our wine bar and bistro is called Harry's after the renowned English nurseryman and horticulturist, Sir Harry Veitch who dispatched daring plant hunters to foreign lands to find exotic treasures for his wealthy London clientele.*

*Harry Veitch was also the founder of the Chelsea Flower Show, a great entrepreneur and the owner of the largest nursery in London. Through his "plant hunting" he is recognised for finding most plants in modern gardens today.*
